MEMORANDUM

Sub:- The Muslim Educational Association of Southern India, Madras - Change in name -- Amendment to enactments containing references to the Association.

The Honorary Secretary of the Muhammadan Educational Association of Southern India has reported that the name of the Association has been altered into "The Muslim Educational Association of Southern India' in pursuance of the provisions contained in the Societies' Registration Act. He requests that the consequential amendment may be made in all enactments and rules where mention is made of the Muhammadan Educational Association of Southern India.

2. Notwithstanding the change of name, reference to the Muhammadan Educational Association of Southern India in statutory enactments and rules will be construed as reference to the association in its new name, viz., Muslim Educational Association of Southern India. There will therefore be no legal difficulty even if legislation to give effect to the change in name is postponed and the amendment of the enactments and rules containing reference to the Association is taken up when the necessity arises. The change in name may however be given effect by preparing a short bill to th effect that the word 'Muslim' should be substituted for the word 'Muhammadan" in the expression "The Muhammadan Educational Associat of Southern India" wherever it occurs in the Madras Acts and Rules framed thereunder.

U.O. Note No. 1747/48/M.L.1. dated 13th March 1948.

Sub:- Bills - The Madras Muslim Educational Association of Southern India (Change of Name) Bill, 1947.

Ref:- Letter No. 63415/B1/47-2, Education and Public Health from the Hon'ble the Minister for Education.

The Madras Muslim Educational Association of Southern India (Change of Name) Bill, 1947 was published in the Fort St. George Gazette dated the 15th July 1947. The Hon'ble the Minister for Education gave notice of a motion for the introduction, consideration and passing into law of the Bill for the last session but it lapsed on the prorogation of the Assembly on 5th January 1948.

2. Provisio to rule 73 of the Assembly Rules only says that where the Governor has ordered the publication of the Bill in the Gazette, it is not necessary to move for leave to introduce the Bill and does not prescribe any time-limit within which the Bill must be introduced after its publication. In the case of the Madras Minor Ports Fund Bill, 1938, the Madras Payment of Salaries and Removal of Disqualifications (Amendment) Bill, 1947 and the Madras City Improvement Trust (Amendment) Bill, they were republished before introduction.

3. This Bill is only intended to give effect to change in the name of the Muhammadan Educational Association in Southern India, Madras, as desired by the Association. But in view of the fact that nearly 8 months have lapsed since its publication, it is desirable to have the Bill republished though technically it does not require republication.

4. Education and Public Health Department may be requested to examine this question in consultation with Legal and inform this department of the decision taken in the matter. They may also be requested to treat this as very urgent as notice of the motion could be circulated to the members only after the receipt of their reply.
